

ORGANIC PROTEIN

BLONDE ABSOLUTE

ORGANIC PROTEIN BLONDE ABSOLUTE is a cutting-edge, formaldehyde-free hair treatment designed to deliver exceptional performance by eliminating frizz, reducing volume, and strengthening all hair types.

This innovative formula is enriched with nourishing ingredients like Argan oil, açai extracts, and mineral oils. Together, they leave your hair looking radiant, feeling incredibly soft, and exhibiting a silky finish.

HOW TO USE. start with a sensitivity test, then apply the product generously to clean, dry hair from roots to ends, allowing it to penetrate for 45 to 60 minutes. After rinsing thoroughly with warm water. For better results, apply the UNIVERSAL NEUTRALISER wait 10 minutes, and then rinse and dry your hair 100%. Flat iron in small sections at temperatures between 160-200°C until your hair is smooth and shiny; remember the smaller the sections are and the more you flat iron, the straighter your hair will become.

PROFESSIONAL USE ONLY
