## Our Courses

### 101 Novice Courses

If you are looking for a new career this is the place to start. These courses are for anyone wanting to begin their journey in the Nail Industry by learning the skills and gaining the knowledge and confidence to offer professional nail services.

### 101 Conversion Courses

The perfect courses if you want to convert from another brand to being able to offer Gelish® Services or you already have a nail enhancement system under your belt and want to progress on your journey with one of our professional systems. The pre-requisite is an accredited enhancement certification. These are carefully constructed courses that will cover everything needed to the prepare, apply, finish, and remove Gelish® nail systems.

### 101 Structured Course

Take your Gelish Soak Off Gel Polish services to the next level! This course focuses on creating nail enhancements using Gelish Structure Gel & Gelish Structure Brush on Builder Gel in conjunction with both tips and sculpting forms. Add this course to your Gelish Novice or Conversion course to unleash the true potential of a complete Gelish Service. Or if you are already working with another Gel Polish, take this course to see how Gelish will transform your business.

### 101 Tip Overlay and Sculpting Courses

These are separate 4-hour courses to enable you to boost earning potential by adding an enhancement skill. You can add this course to your Novice course, Conversion course or come back and do it at a later date.

### PhD Courses

Designed to help you perfect your techniques and skills to a master level. Obtain your Gelish® PhD Global certification and be able to command higher service fees for being an expert in your field.
